Laurenwood Estates - Welcome to Patriot Disposal!

The Laurenwood Estates HOA has contracted with Patriot Disposal to provide trash and recycling services for your community **effective September 1, 2019**. Your community's first trash day will be Tuesday **September 3rd**! The following information is provided so that we may better serve you.

SERVICE DAYS: Trash will be collected weekly on **Tuesday** and **Friday**; Recycling and Yard Waste will be collected on **Tuesdays**. Please stage all items at the curb the night before or by 5:00 a.m. on your pick up day.

CONTAINERS: Residents will receive one 96-gallon wheeled, lidded trash container and one 64-gallon wheeled, lidded container for recycling from Patriot at no additional cost. Homeowners are responsible for the care and cleaning of their containers. There is a \$75.00 replacement fee for each 96-gallon trash container and a \$50.00 replacement fee for each 64-gallon container that is lost or stolen. If any container gets damaged or broken due to normal wear and tear, we will replace or fix those containers at no cost to the resident. **Your new containers will be delivered to the community on August 30th.**

COMPANY POLICY: All trash must be placed at the curb in front of your home in a trash container. Containers cannot weigh more than 50 pounds or they will not be emptied. The following items should **NOT** be placed in containers or bags at any time: rocks, concrete, dirt, soil, sod, tree stumps, construction debris, brick, or landscaping timbers. Collection of these items may be provided for an additional charge.

COUNTY REGULATIONS: The following items will NOT be collected: liquids of any kind, asbestos, ammunition, fuel tanks, hazardous, radioactive, infectious or medical waste, petroleum contaminated soil, dead animals, manure, dangerous acids, caustics, explosives, or other dangerous material or items too large or too heavy to be loaded safely into the collection vehicles.

RECYCLING: Recyclable materials will be collected weekly on **Tuesdays**. Recyclable materials include newspapers, magazines, catalogs, books, mixed paper, cereal boxes and similar, flattened cardboard no larger than 4' x 4', aluminum and metal food and beverage containers, and plastic bottles, jugs and containers. The recycling method is "single-stream" which allows for the co-mingling of all recyclable materials in the recycling container. If you did not receive a recycling container, please call 703-257-7100 to receive a container.

YARD WASTE: Yard Waste will be collected on **both trash days**. Grass clippings and leaves must be set out for pickup in bio-degradable paper bags or in a trash container clearly marked "yard waste" on both sides. Tree limbs and brush must be tied in bundles no longer than 4 feet in length and 6 inches in diameter. Bundles or items that are bagged cannot exceed 50 pounds. Yard waste does not include stumps, rocks, dirt, sod, gravel, mulch, whole trees, or clean-up from storm damage. Collection of these items may be provided for an additional charge.

SPECIAL ITEMS: Special items will be collected weekly for a fee. Special items include white goods (appliances), furniture and other large items. Special items that will be collected and recycled include scrap metal (grills, bicycles, swings, chairs), small electronics (computers, monitors, small TVs, small printers, VCRs, DVD/CD players, etc.), motor oil, tires and car batteries.
